Discussion – Grant Applications: Mr. Kerr reviewed 2022 grant program options with the Board. It was the consensus of the Board to focus recreation/planning grants on the Limerick Community Park first, and then playground improvements and last the Comprehensive Plan. Regarding trail/connectivity grants, the Board stated that connecting more neighborhoods to the PECO Trail should be the top priority of grant applications. Mr. McCloskey inquired if there are any parking areas for the PECO trail? Mr. Kerr explained that there is no parking at this time because the PECO trail is not intended to be a destination trail like that of the Perkiomen Creek or Schuylkill River Trail systems.

Zoning Hearing Board Advisories

ZHB #22-03 Evergreen Development Group, L.L.C.: 350 Evergreen Road: Mr. Kerr provided a history of the property, clarifying that the former tenant did not comply with the conditions of the existing Zoning Hearing Board decision and further explained that violations were sent to the Court in October, but no hearing has been scheduled. He indicated that the use is permitted by right but there are outstanding items required to be resolved to bring the property back into compliance. He concluded by indicating that a new tenant is interested in the property and willing to comply with all Zoning requirements and conditions. Discussion ensued. Mr. McCloskey expressed his frustration with the property owner and clarified his disagreement in allowing a tenant to operate without proper approvals.

Motion was made by Ms. Shuler, and seconded by Ms. Irwin, to remain neutral but authorize the Township Solicitor to send a letter requesting the Zoning Hearing Board members apply the existing conditions to the new application, if approved. Motion passed 4 – 1 with Mr. McCloskey opposing.

ZHB #22-04 Performance Food Centers: 59 Airport Road: The Board briefly discussed the application. It was the consensus of the Board to support the application.

Manager's Report: Mr. Kerr provided an update on: 1. Linfield bridge culvert; 2. PennDOT's progress in fixing the potholes on Lewis Road.

Public Comments:

W. Matthew Lewis (430 Navajo DR.) requested the Board do all they can do to prevent further development along Linfield Road to alleviate traffic volume concerns. Ms. Irwin empathized with Mr. Lewis and stressed the importance of resident feedback to her and the rest of the Board.
