

Montgomery County Campaign Sign Recycling Program

A Local Partnership

Montgomery County partners with Republic Services, the Montgomery County Democratic and Republican Committees, and participating municipalities to recycle plastic campaign signs and metal stands from each year's election.

Please note: This program does not seek to take campaign sign clean up responsibilities away from prospective candidates. Instead, this program hopes to connect candidates and residents with drop off points so that signs can be recycled instead of thrown in the trash.

Montgomery County's website has invaluable Recycling Information
