

2020 CENSUS

As mandated by the U.S. Constitution, our nation counts its population once every decade. What is the purpose of counting the population? The data collected by the census determine the number of seats each state has in the U.S. House of Representatives and is also used to distribute billions in federal funds to local communities. The 2020 Census is rapidly approaching! The Census Bureau has provided valuable information on the upcoming census, including a website, YouTube videos, 2020 timeline, and Census Bureau hiring opportunities. Explore the information for the 2020 Census by clicking on the helpful links below:
