

We all have clothes and electronics we no longer use cluttering our closets, drawers, and basements. Retrievr is the only program that collects these items right from your door and then recycles them for you.

Your neighbors have already discovered the joy of decluttering their homes by recycling over 50 tons of clothing and electronics. Now you can, too!

Thanks to Montgomery County's partnership with **retrievr**, you can recycle your clothing and electronics right from your doorstep. This service is FREE for all clothing, textiles, and small electronics. **Simply text the word PICKUP to 757-70-FETCH (757-703-3824), and retrievr will send a truck to your home.** Bag up your items and leave them on your porch; or, leave them inside your door and tell **retrievr** to ring your bell when they arrive.

Convenience fees apply only for certain items: \$10 for each microwave, \$35 for each TV under 150 lbs, and \$100 for each TV 150 lbs or more.

Why clothing and electronics?

US cities collectively spend **half a billion dollars** every year to send clothes and electronics to landfill. It's a huge problem, and it's been getting worse; Americans trashed **twice as many** clothes and electronics in 2015 as we did in 2000. The good news: these items are almost entirely recyclable. Even better news: the more you recycle, the less our community pays in landfill fees.

Why is Montgomery County introducing this recycling program now?

Because **retrievr's** innovative program finally made it cost effective to pick up right from your door.

Typically, on recycling day, a truck will run past every house on every block on their route. That model works for paper, bottles, and cans: you use and dispose them every day and will always have something to recycle. On the other hand, you may only tackle the task of cleaning out your closet or basement a few times each year. A truck that visits every home once every week or so just isn't likely to collect enough clothing and electronics to make the trip worthwhile.

That's where **retrievr** comes in. When you raise your hand and schedule a pickup by texting **retrievr**, that tells the driver in advance which homes have something to collect, and they only need visit those homes. Retrievr makes us so efficient, we can offer this program to residents for free.

Everybody wins: you get an easy way to responsibly rid your home of items you no longer need, and every item you recycle brings Montgomery County closer to our recycling objectives. Text 757-70-FETCH to join in!
