The Counselor In Training Program is designed to train youths (*ages 14 to 16 who must have completed 8<sup>th</sup>-10<sup>th</sup> grades*) – too old to attend *Shamrock Adventures*, but too young for employment with LTP&R – to assist Summer Shamrock Camp Staff with Lil’ Shamrocks and Camp Shamrock activities. Counselor in Training camp staff position is a seasonal, non-paid, volunteer position. Placements are limited and priority is given Limerick Township residents. Two (2) positions for each session at Lil’ Shamrocks and Four (4) positions for each session at Camp Shamrock are available during the 2012 summer.

At the end of each session the CITs will understand what a camp counselor’s daily duties consist of and how to plan, organize and supervise an activity and children. Successful participation in this program may be a “stepping stone” to future employment with LTP&R. A letter from a teacher is an important reference which assists with the selection process along with a meeting with the Parks and Recreation Director and Summer Shamrock Camp Director.

**All youths selected for the C.I.T. program must attend Staff Orientation on June 21st.**

I understand that the Counselor in Training position is a seasonal, non-paid, volunteer position. I understand that this is an active and learning position with the Limerick Township Parks and Recreation Department. I understand that I will be responsible for assisting the Summer Shamrock Camp staff in activities, games and crafts with camp participants at either the Lil’ Shamrocks or Camp Shamrock location. I also understand that completing this program does not “guarantee” a seasonal, paid Summer Shamrock Camp Staff position in the future though it will help.
