Manderach Memorial Playground... the jewel of the Limerick Township Park System!

We Need Your Support!

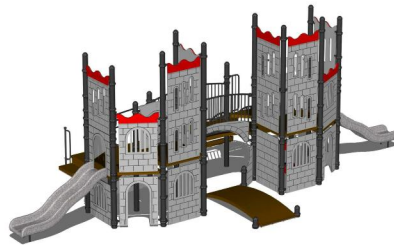

Manderach Memorial Renovation Project Details:

The Manderach Memorial Playground will be updated with new playground equipment in the fall of 2009. The Limerick Township Board of Supervisors has allocated \$150,000.00 for three age appropriate castle themed playground structures and swings to replace existing structures. (*NEW – Toddler Area structure, 2-5 yr. old structure and 5-12 yr. old structure*). The main castle structure will stay as is. Due to these renovations the Manderach Memorial Playground will be closed October 1, 2009 until spring 2010.

Manderach Memorial Playground History:

The Manderach Memorial Playground was the result of 2,000 volunteers in a community effort to memorialize Lisa and Devon Manderach, a Limerick mother and daughter murdered in 1995. In 1998, playground equipment and installation were fully funded by community contributions and donations. No tax dollars were used for the project. The Manderach Memorial Playground opened on June 14, 1998 and was dedicated on September 12, 1998.

Additional Playground Equipment:

Limerick Township Department of Parks and Recreation along with the Parks and Recreation Committee wish to include additional playground equipment structures in the Manderach Memorial Playground area to enhance the playground experience. The Manderach Memorial Playground is the jewel of the Limerick Community Park and one of the destination playgrounds of Montgomery County. We are asking for your contributions and donations in raising \$75,000.00 by October 1, 2009 for these additional playground structures.
