Dear Valued Customer, **Limerick Township Resident**

Pennsylvania's Act 101 – "Municipal Waste Planning, Recycling and Waste Reduction Act" requires all waste haulers to have separate pick up days scheduled to accept "Leaf Waste" and "Leaf Waste" only. All weights and volumes of the leaf waste collected must be reported by your waste hauler to your municipality and then to the state on the "Recycling and Municipal Solid Waste Report". This report is due in early 2011.

Your municipality and your trash hauler, Ches-Mont Disposal have decided to offer Two (2) special pick up days in the fall and one (1) pick up in the spring for "leaf waste" only.

Information from Ches-Mont Disposal regarding Leaf Pick up in **Limerick Township;**
