MEMORANDUM OF INSTRUCTIONS

TO: Applicant
FROM: Greta L. Martin Washington,
Director of Community Planning
DATE: January 4, 2022

RE: SUBDIVISION AND LAND DEVELOPMENT PROCEDURE

The Planning & Zoning Department staff interacts with the development community using a streamlined and business friendly model. Before acquiring land, closing a deal, or commencement with the engineering of a plan, a developer or resident who is contemplating a development project can meet with Township staff and consultants at their regularly scheduled meetings to discuss basic project scope and receive recommendation on how to navigate potential project obstacles. Upon direction from staff, and if desired, a developer can schedule a **Confirmed Appointment** to appear in front of the Board of Supervisors at a regularly scheduled public meeting to present their project to the Supervisors and receive preliminary feedback.

The typical formal land development process consists of the following steps: **Project Review Phase, Recording Review Phase, Recording Phase, Preconstruction Phase, Construction Phase, and Maintenance Phase**. This Memo will provide a brief description of each phase to assist in navigating the land development process. If you have any questions regarding the subdivision/land development submission procedure or the Township's review process, contact me, at (610)-495-6432, extension 127.

I. PROJECT REVIEW PHASE - Preliminary and/or Final Plan

All of the items outlined in the **Application Submission Checklist** (see Appendix A) are required at the time of submission for an application to be considered complete and to avoid unnecessary delays in the review process. Applications determined to be incomplete at the time of submission will **not** be accepted. Applicant will be notified if an application is determined to be incomplete after submission and prior to the start of the Township's 90-day review period. The 90-day review period, as set forth in the Pennsylvania Municipalities Planning Code (MPC), begins on the date of the next regularly scheduled meeting of the Planning Commission following the date of submission of a complete application.

Pursuant to the provisions of the Pennsylvania Municipalities Planning Code (MPC), Limerick Township has established by Resolution schedule of fees for review of an Application submitted. The schedule is attached to this Agreement as Exhibit "A".
