Information for all Private Hauling Companies operating in Limerick Township

Per Limerick Township Ordinance No. 288 adopted on December 13, 2007 by the Board of Supervisors, the Township is again requesting information as to your schedule for collection of yard and leaf waste. Per Resolution No. 2007-45 which accompanies Ordinance No. 288, residential trash haulers are required to advise their customers of specific dates for leaf pick-up, which will be:

- First collection in May**
- Second collection in late October**
- Third collection in November**
- Fourth collection in December**

Limerick Township is obligated to post this information; we are advising you that a copy of this information must be forwarded to the Township each year prior to the May collections. Please forward to the attention of Marcy Mancini at MMancini@LimerickPA.org

Copies of Ordinance No. 288 and Resolution 2007-45 are included on our Website for your convenience.

Residential Recycling – Township Code §149-18

Leaf waste. All residents of Limerick Township shall separate leaf waste from all municipal waste generated at their property. When collection procedures have been scheduled by the municipal waste collector, leaf waste shall be placed in paper biodegradable bags provided by the municipal waste collector. Residents must purchase biodegradable leaf and yard waste collection bags from an authorized dealer as no plastic bags are permitted.

Any resident who otherwise provides for the proper disposal of leaf waste by composting shall not be required to comply with the provisions of this subsection.

Residential Recycling – Township Code §149-18

Recyclable materials. All residents of Limerick Township shall separate recyclable materials from all municipal waste generated at their properties. When placed at the curb for collection in accordance with the provisions of this article, recyclable materials shall be placed in separate, reusable containers which clearly identify the contents as recyclables.

The preparation for collection of municipal waste and recyclable materials shall be made in accordance with the instructions provided by the municipal waste collector.

Commercial, Institutional, and Municipal Recycling –

Township Code §149-19

All persons occupying commercial, institutional, and municipal establishments within Limerick Township shall separate high-grade office paper, corrugated paper, bulk and leaf waste and all recyclable materials and such other materials as may be changed from time to time by resolution of the Board of Supervisors of Limerick Township generated at such establishments and from community activities, store the materials until collection by a municipal waste collector and annually provide written documentation and certification to Limerick Township of that total volume of materials and the type of materials recycled. *Such persons may comply with the reporting requirements hereunder by requiring their municipal waste collector to provide said documentation and certification directly to the Township.*
