

# **Do NOT Throw Snow Onto the Roadway When Clearing your Driveway, Sidewalk, or Mailbox.**

## **Clearing of Snow Illegally onto a Roadway**

- \* This ***action is very unsafe and is illegal***, as it can cause accidents and result in property damage and bodily injury.
- \* ***Fines may be issued and motorists could file a lawsuit against you*** if an accident has resulted due to this hazard.
- \* Additionally, ***residents may be fined and held responsible for all costs*** as a result of the Township's having to dispatch a crew to plow snow, which has been deposited by residents onto the roadway.

**THE LIMERICK TOWNSHIP PUBLIC WORKS DEPARTMENT  
HAS BEEN ACTIVELY PREPARING  
FOR THIS WINTER'S SNOW AND ICE.**

Residents should also play an important role  
in maintaining safe walking and driving  
conditions following a snowfall.

We appreciate your cooperation in this regard.
