Chair Message

Kara Shuler
Chairman

I want to take a moment to shine a spotlight on the incredible efforts of our Township Public Works Department and express our gratitude for their dedication to our community.

Our Public Works Department is the backbone of our township, tirelessly working behind the scenes to ensure that our streets are safe, our infrastructure is sound, and our public spaces are well-maintained.

From repairing potholes and clearing snow in the winter to maintaining our parks and playgrounds throughout the year, their efforts touch every aspect of daily life in our community.

Their contributions and expertise is now on display with the Limerick Community Park project detailed on the adjoining page. Other townships would need to publicly bid this project to a private contractor to complete the work at significantly higher costs. Because of the skill of our team, this \$1.35 million project is being completed in-house at an estimated savings of **34% (\$460,000 in savings)**.

Over the past decade, their ability to complete many types of large scale projects has equated to savings close to \$3 million.

But their impact goes far beyond their day-to-day responsibilities. Our Public Works team embodies the spirit of service, always ready to lend a helping hand in times of need, whether it's responding to emergencies or supporting community events.

As we navigate the challenges and opportunities that lie ahead, we can take comfort in knowing that we have such a capable and caring team looking out for us. So, on behalf of the Board and the entire community, I want to extend a heartfelt thank you to our Township Public Works Department for all that they do.

Please join me in celebrating and appreciating the hard work and contributions of our Public Works team. Together, we can continue to build a stronger, more vibrant community for generations to come.

Have a safe and joyful summer!

- Kara

Our Public Works Team

Coming Soon!

Exciting new improvements are currently under construction at the Limerick Community Park to meet the expanding needs of our community. Most of the work is being completed in-house by the Township Public Works Department.

- Pedestrian entrance along Swamp Pike
- Tennis Courts
- Multi-purpose field which can accommodate two to three activities at the same time
- Pickleball Courts
- Bocce ball Courts
- Walking trails which will connect to the existing Community Park Trail System
- Baseball/Softball field
- An addition of 65 parking spaces; 4 of which will meet ADA accessibility standards

Grant Funding from DCNR: \$625,000
Limerick Matching Funds: \$625,000
Total Project Cost: \$1,350,000

To achieve the same amenities if the project was publicly bid, an additional \$460,000 would have been required from Limerick Township taxpayers.

The park expansion is anticipated to be open for public use this Fall!

Park Expansion Update

Limerick Township Public Works Department - Providing

Public Works is a multi-dimensional department touching on multiple areas including:

Stormwater Repair

The earliest forms of Public Works can be traced back to ancient civilizations like Mesopotamia, Egypt, and Rome. These societies constructed roads, bridges, irrigation systems, and aqueducts to facilitate transportation, trade, agriculture, and water supply. These projects were often funded and managed by the state or through communal efforts, demonstrating the importance of collective investment in infrastructure.

Today is no different. Our Department's professionals are capable of performing a wide range of projects in-house. By utilizing their expertise and resources, communities can avoid the need to outsource work to private contractors, saving

Retaining Wall & Trail Construction

Fleet Maintenance

Keeps 70+ vehicles (cars, construction equipment & police vehicles) operable.

Stormwater Management

Directs stormwater from streets and to waterways in an environmentally-responsible manner.

Building/Property Maintenance of Township Facilities & Grounds

Ensures all municipal buildings are maintained & serviceable for the community.

Roads and Traffic

Maintains street lights & signage, upkeeping of roads through resurfacing, and keeping roads clean of debris via street sweeping.

Parks Maintenance of all Recreation and Active Open Space

Includes 6 public parks and the trail network.

PA One Call System (811)

Performs One Call mark outs and reports.

Site Inspections with Township Engineer

For construction of and on Township roads, right-of-ways or other structures being dedicated, owned, or maintained by the Township.

Tree Trimming in Limerick Community Park

ADA/Pedestrian Improvements

Bus Stop Installation

In-House Project: Limerick Community Park

Essential Services while Maintaining a Safe Environment

- Infrastructure (*roadways, bridges, stormwater pipelines, etc.*)
- Maintenance (*tree trimming, snow removal, etc.*)
- Recreation (*parks & trails*) • Aesthetics (*open space*)
- Construction (*Township property improvements*) and much, more!

on labor costs and overhead expenses. Many residents may not consider what it takes to ensure that their local community is safe and functional, but a lot goes on behind the scenes in the Department of Public Works.

With over 100 miles of roadway, 40 traffic signals and flashers, 6 parks, 70+ vehicles/pieces of equipment and several facility buildings to take care of, our Public Works Department is constantly on the move. The Department provides and sustains structures and services essential to the welfare and quality of life for our community.

Culvert Restoration Work

Construction of Major Improvements to:

Existing roads, culverts, other right-of-way systems, road widening, single span bridge work, site work for Township properties. In support of this construction work, the Limerick Township PWD personnel perform in-house design, engineering, layout, and project estimates for all maintenance and major road improvement projects being performed by in-house crews.

SALDO

Active support in Subdivision and Land Development plan reviews.

Public Bids

Prepares & administers all bid documents, design standards & specifications for: equipment purchases, material purchases, fuel quantities, and road maintenance projects.

Liquid Fuels

Administers and monitors all revenues & expenditures and completes all project completion reports to PennDOT.

Road Occupation Permits

Issuance, inspection & enforcement for driveways and utilities.

Provides In-House Employee Training

In all phases of the trades, skills, and knowledge required to perform the many and various duties of the department.

Paving Work on Township Roadways

Events in the Park: Set Up & Break Down

Over the past decade, the department has saved Limerick taxpayers close to
\$3 MILLION
by completing this work in-house.

Keith "Kulpie" Kulp retires after 23 years in Public Works

Representatives from our Board of Supervisors were on hand to present Keith Kulp with a Commendation thanking him for 23 years of dedicated service to the Township.

Supervisor Shuler, Supervisor McCloskey, Keith Kulp, & Supervisor Sperring

Keith officially joined the Public Works Department in 2000. His expertise in masonry, carpentry, pipe work, and equipment operations made him an important asset to the department.

He will be greatly missed.

We wish him all the best on his next adventure!

Please be considerate.
Someone in your neighborhood is afraid of fireworks.

With advance notice, your neighbors can secure their animals and take measures to prepare their pets. Having these neighborly conversations can go a long way to making the summer enjoyable for everyone.

FIREWORKS SAFETY TIPS FOR PET OWNERS:

1. Make sure their tag & microchip are up to date.
2. Take a current photo.
3. Keep your pets IN the house.
4. Make sure all exterior doors are secure.
5. Give your pet a safe place to hide.
6. Exercise your pet earlier in the day.
7. Put on music or the tv and close the curtains.
8. Stay with them and distract them with a new toy or treat.
9. Try using anxiety vests.
10. Talk with your veterinarian about calming medication.

Summertime Safety

Police Tips: How to keep your home safe while on vacation

DO NOT post details of your trip on social media while you are away

Turn off your home's main water. You should turn off your water line before you leave for vacations to avoid any potential leaks or floods

Keep up on lawn maintenance. Cut the grass just before you leave or schedule with a lawn service you trust

Place interior lights on a timer. Consider exterior motion detection lights

Have USPS hold your mail & packages or ask a neighbor

Secure all entry points. Don't forget the windows and doors on your shed & garage

Park a car in the driveway. Give the appearance someone is home

Let the police know the dates you will be away. For more info., scan here:

Supporting our Senior Community

We are thrilled to share the incredible news that our Senior Expo, co-hosted with State Representative Joe Ciresi, went off with a bang! Recently celebrating its 2nd year, our Senior Expo had a turnout of 275 enthusiastic attendees and an impressive showcase of 50 vendors. This year's Senior Expo was truly a testament to the growing importance of empowering our senior community.

Attendees had the chance to explore a diverse range of offerings, including health services, financial advice, leisure activities, and community programs, all tailored

specifically to meet the unique needs and interest of seniors.

We're immensely grateful to all the attendees, vendors, volunteers, and sponsors who made this event possible. Your support and participation have helped create a vibrant and inclusive space for seniors to connect, learn, and thrive. Also a huge thank you to Spring-Ford Area School District for your hospitality and generosity which provided the perfect setting for our event. We are deeply grateful for your support and for opening your doors to us.
