**Ken Sperring**  
*Chairman*

The Township will be advancing many significant projects this year that will provide lasting benefits for this Limerick community. These include: roadway improvement and safety projects, stormwater upgrades, and planning reviews to ensure Limerick's zoning and subdivision codes remain current to properly address continuing development pressures impacting the Township.

Among these efforts for 2025 will be the reconstruction of the Manderach Memorial Playground, which is featured in this newsletter. The playground has provided safe and enjoyable recreation for generations of children since its opening in 1998. The current wooden structure, which was built through the volunteer efforts of so many, has reached the end of its' life span and needs replacement. The Board has allocated \$1.5 million, within the 2025 Budget, to rebuild this memorial playground with modern day features and accessibility standards so all our children can experience what so many have enjoyed in the past.

**We ask for your support and participation in the upcoming Parks and Recreation Committee public meetings, as they look to gather community ideas and prepare the design and vision of the new Manderach Memorial Playground, which we hope to have completed by the summer of 2026.**

The Board is also pleased to report that our efforts, to strengthen both the Limerick Volunteer Fire Department and the Emergency Medical Services which serve our community, are providing great benefits to those organizations without a significant burden on the Township's real estate taxpayers. Even with the increased financial support for our first responder agencies, Limerick real estate taxes remain near the lower 1/3 of all 62 Montgomery County communities.

Through strong budget management, no real estate tax increases for general township operations have been necessary since 2016. The Board maintains a strong focus on being proper stewards of the public funds we are entrusted to protect. Toward this effort, and in line with the need to maintain services to this growing community, the Board worked closely with the administration to ensure the capital projects undertaken this year will not strain township finances and place an undue burden on our taxpayers who call Limerick home.

Please remember to visit Limerick Township's website and social media pages for continued updates on the Manderach Playground reconstruction, as well as all our other community projects and events.

We wish you a very pleasant Spring season.

- Ken

# A Story of Remembrance

## - The rebuilding of the Manderach Memorial Playground -

The Manderach Memorial Playground, located in the Limerick Community Park, stands as a remarkable testament to both the enduring legacy of Lisa and Devon Manderach and the power of community connection. Since its opening in 1998, the playground has captivated visitors of all ages with its unique design, creating a sense of adventure and nostalgia.

However due to the age of its castle centerpiece, reconstruction has become a necessity.

**The current playground will close November 2025, and a new playground will open in 2026.**

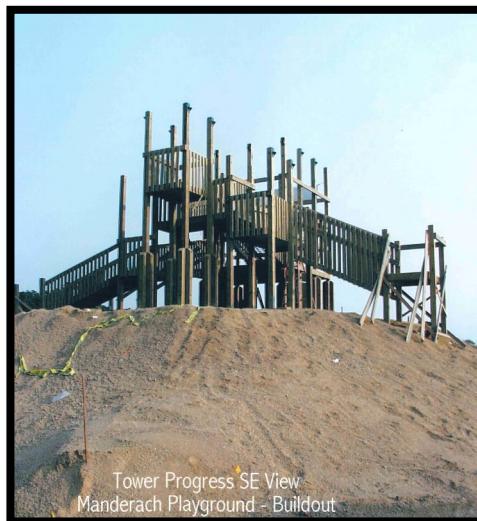

The Limerick Township Parks & Recreation Committee began to host meetings with the public in February to answer questions and gather suggestions on the reconstruction of the playground.

Their next meeting will be on March 12<sup>th</sup> at 6pm in the Township Building. Please join them and bring your creative ideas to help design a new outdoor adventure destination for the children of our community.

**The decision to build anew marks an exciting chapter, one that honors the history of this special place, while opening the door to new possibilities for future generations.**

As we prepare to say farewell to the old structure, we carry forward the cherished memories it has created.

The Manderach Memorial Playground's role in the Township remains a significant one, and its legacy will continue to inspire those who visit, both now and in the years to come.

## Property Tax Rent Rebate Assistance - Schedule Your Appointment Today!

Now that income tax season is upon us, many residents have questions regarding the Property Tax Rent Rebate Program. The income limit is **\$46,520** a year for homeowners and renters, and 1/2 of Social Security income is excluded.

## Primary Election Day

Pennsylvania has a closed primary system. This means that Republican voters can vote only for Republican candidates and Democratic voters can vote only for Democratic candidates. The candidates who receive the highest number of votes go on to run in the general election.

While voting in a primary election for party nominees is limited to only voters registered as Democratic or Republican, *all* registered voters can vote in a primary election *if* the ballot includes any of the following: a constitutional amendment question, a ballot question, or a special election in their district.

### **Important Dates:**

Last day to register to vote

**May 5th**

Last day to request a mail-in ballot

**May 13th**

Primary Election Day

**May 20th**

## Perkiomen Creek Cleanup

Limerick Township has several streams, creeks, and tributaries that flow into our local watershed. So, what is a watershed and why should I care for it? A watershed is an area of land that channels rainfall, snowmelt, and runoff into a common body of water. It is vital to sustaining life by supplying our drinking water and providing water for agriculture, manufacturing, and recreation. Watersheds also serve as natural habitats for various animals and plants. It's critical that we protect our watersheds to keep them clean and healthy!

Every April, the Perkiomen Watershed Conservancy hosts a watershed event focused on removing trash, tires, and other debris from regional waterways. Since its creation in 2004, the Stream Cleanup event has grown to become the largest single-day stream cleanup in the state of Pennsylvania!

The local Spring-Ford Rotary Club continues to be a proud participant in this program and invite you to join them in this cleanup effort being held on **Saturday, April 12th at 9 AM.**

Visit the Perkiomen Watershed Conservancy's website at [www.perkiomenwatershed.org](http://www.perkiomenwatershed.org) to sign up for this family-friendly event. Don't forget to wear your boots!

## Limerick Township Historical Society

The Limerick Township Historical Society has information on many old or historic homes in Limerick Township but we know there are others that are not on our list.

We would like to make a list of all **"Century Homes"** in Limerick Township for the Limerick Tricentennial. If your house was built in 1926 or before, we would like to have as much information about the house as possible. Information would include the original builder, owners through the years, or even photos.

Would you like to see if we have information about your house?

Could you volunteer at the Historical Society to help compile this list?

Then please contact us at **(610) 495-5229**, [www.LimerickPAHistory.org](http://www.LimerickPAHistory.org), or stop by.

## Marcy Mancini - PSATS Municipal Government Academy Graduate

Marcy was recognized in the latest issue of Pennsylvania Township News magazine as a recent graduate of the PSATS Municipal Government Academy. The goal of the academy is to provide Pennsylvania's elected and appointed municipal officials and staff members with the leadership skills and professional development they need to meet the demands and expectations of their office or position, today and into the future.

Over the past 10 years, Marcy has attended a variety of workshops, webinars, and conferences to further her education in municipal government.

Marcy is quoted as saying *“Staying educated is the key to success.”* She goes on to say that *“Sometimes the most valuable lessons you can learn are from seeing things from a different perspective.*

Limerick Township is proud of Marcy's tremendous accomplishment and wishes her continued success.

## Donald “Don” Andes - Limerick Firefighter receives Commendation

Don Andes, a 55-year Limerick Fire Department volunteer, received a Commendation from the Board of Supervisors for his dedication to the community. Don has been a dedicated member of Limerick Township, serving as a firefighter since 1969. As a third-generation member of the Limerick Fire Department, he has deep roots in the community's firefighting history.

Throughout his distinguished service, Don has held many important roles including Auditor, Assistant Fire Chief, and Fire Chief, a position he held for 10 years. In addition, he has served as Treasurer for an impressive 53 years, making a significant impact on the financial stability and management of the fire company.

*Left to Right: Supv. Morroney, Supv. Sperring, Don Andes and Supv. Shuler*

Don was also a member of the Steering Committee for the merger of Limerick Fire Company and Linfield Fire Company No.1 to become Limerick Fire Department in 2019

His long-standing commitment and leadership have made him a cornerstone of the fire department and the Township.

Thank you, Don, for your outstanding service to this community!
