**Please refer to the next page(s) to provide additional details on the work to be performed. Permit application will not be accepted unless all requested information and documentation is submitted with the application.**

**Note:** Pennsylvania Act 45 allows up to fifteen (15) business days for residential projects and up to thirty (30) business days for commercial projects to be reviewed by the jurisdiction. We strive to keep these review times to a minimum, and in many cases can turn around reviews in seven (7) business days or less. However, during peak construction times please expect the more traditional review times as outlined in the state law to apply. Upon conclusion of the permit review, you will be contacted via email for additional information, if needed, or notified of the fee for your approved construction permit.
